Affiliated New Thought Network

This four day program at Unity Village combines internal spiritual development with informative, insightful, and inspiring presentations.

Keynotes, Concerts, Power talks, Workshops and Sacred Time together bring new perspectives on social justice, diversity, spiritual practice, and new ideas for the evolution of New Thought.

There will be plenty of time for Emergence as we connect, reflect, and enjoy with a Candlelight Labyrinth Walk, Talent Show, Banquet, Auction, and more on the sacred grounds of Unity Village in Lee's Summit, MO.
